CLINICAL TRAINING EXPERIENCE

09/00–08/01

PRE-DOCTORAL INTERNSHIP (Full accreditation by the American Psychological Association)
Colorado Mental Health Institute at Fort Logan, Denver, Colorado is a JCAHO-accredited 121-bed state psychiatric hospital.

- Provided a variety of psychological and crisis services during four-month rotations on the: 1) Children's Inpatient Unit; 2) Adult Inpatient Unit; and 3) Adolescent Residential Treatment/Adolescent Inpatient Units.
- Conducted individual, group, and family psychotherapy.
- Completed psychosocial reports and psychodiagnostic formulations.
- Administered, scored, interpreted, and completed formal psychological and neuropsychological assessment batteries.
- Resolved 72-hour mental health holds previously placed on patients.
- Completed initial risk assessments for new patients and civil commitment assessments for the court detailing the need for extended commitment (gravely disabled or risk to self/others).
- Provided crisis intervention, case management, and consultation with community agencies (e.g., IEP meetings).
- Developed, revised, and reviewed treatment plans in conjunction with feedback from multidisciplinary team members.
- Participated in individual, group, and peer supervision sessions and attended bi-weekly seminars administered by licensed psychologists.

09/98–04/99

FIELD PLACEMENT

Psychological Service Center, Pacific University, Portland, Oregon

- Completed formal, comprehensive psychological assessments, including administration, interpretation, report writing, and feedback for personality and neuropsychological evaluations.
- Participated in weekly group supervision led by licensed psychologists.

09/97–07/98

ADVANCED GRADUATE PRACTICUM

Columbia River Mental Health Services, Vancouver, Washington

- Provided adolescent, child, and family psychotherapy to clients from lower socioeconomic groups, ages 4–16, ranging from 1 to 32 sessions.
- Therapy issues included abuse, anxiety, depression, suicidality, ADHD, school failure, conduct problems, sexual acting out, anger management, domestic violence, and family conflict.
- Completed comprehensive assessment batteries.
- Participated in weekly supervision with licensed psychologists.
- Developed treatment plans and transfer/discharge summaries.
- Provided consultation to teachers, school counselors, physicians, and school psychologists, and conducted parent training as needed.

07/96–08/97

GRADUATE PRACTICUM

Psychological Service Center, Pacific University, Portland, Oregon

- Provided adult, adolescent, and child psychotherapy to a diverse set of clients ages 14–40 with wide ranging diagnoses (range, 3–19 sessions).
- Therapy issues included depression, anxiety, self-concept, identity, relationships, ADHD, abuse, rape, school failure, and personality style.
- Developed preliminary and comprehensive treatment plans, maintained charts, and completed transfer/discharge summaries.
- Conducted intake interviews and presented case formulations.
- Participated in weekly individual, group, and specialty supervisions as well as didactic trainings with licensed psychologists.
- Utilized the MMPI-2 with a variety of client populations.

**PRE-DOCTORAL
PROFESSIONAL
& CLINICAL
EMPLOYMENT**

04/99–07/00

GROUP/INTAKE THERAPIST & EVALUATOR (30 hrs./week)

Morrison Center Child & Family Services, Portland, Oregon

Family Sexual Abuse Treatment Groups (04/99–07/00) (7–10 year-olds)

- Co-facilitated two weekly ongoing boys' sexual abuse treatment groups.
- Screened potential members and developed treatment plans.
- Systemically worked with families, teachers, and therapists.

Child and Family Outpatient Services (12/99–07/00) (2–15 year-olds)

- Conducted intake assessments and provided treatment suggestions.
- Provided consultation and case management to caseworkers, parents, foster parents, and therapists regarding treatment recommendations.
- Developed/facilitated a 12-week time-limited group with 8–10 year-old boys on feelings identification/expression and adaptive coping skills.

Children's Assessment Service (04/99–12/99) (4 months to 14 years)

- Conducted evaluations of children via interviews; observation; and developmental, intellectual, objective, and projective testing.
- Produced integrated assessment reports and provided consultation services to caseworkers, foster parents, birth parents, and teachers.
- Participated in individual/group supervision with a licensed psychologist.

04/99–07/99

EDUCATIONAL GROUP CO-FACILITATOR

A Better Way Counseling Center, Portland, Oregon

- Co-facilitated weekly psychoeducational groups with ADHD/LD delinquent adolescents (10-week program).
- Participated in weekly supervision and consultation meetings.

09/98–07/99

MENTAL HEALTH THERAPIST (Adolescent & Adult, 16 hours/week)

Woodland Park Inpatient Psychiatric Program, Portland, Oregon

- Facilitated psychoeducational and process groups with adolescents and adults hospitalized for psychosis, homicidal/suicidal ideation, alcohol/drug detoxification, or medication stabilization.
- Conducted individual, brief therapeutic interventions with patients.
- Administered, scored, and interpreted various psychological tests.
- Assisted with admissions, discharge planning, behavioral assessment, and development of treatment plans within a multidisciplinary team.

06/97–04/99

ON-CALL QUALIFIED MENTAL HEALTH PROFESSIONAL

Faulkner Place/Ryles Center, Portland, Oregon

- Provided individual and group treatment/skills services for chronically mentally ill adults in two different secure residential facilities.
- Assisted with admissions and discharge planning for clients.
- Attended multidisciplinary team meetings.

10/95–01/97

RESIDENTIAL COUNSELOR (16 hours/week)

St. Mary's Home for Boys, Beaverton, Oregon

- Monitored activities and maintained appropriate levels of structure and discipline with boys assigned for residential treatment (age 8–17).
- Implemented individual treatment plans via treatment strategies (indiv./group), and created behavioral contracts for specific clients.

09/96–05/98

STUDENT ADVOCATE

Pacific University, Forest Grove, Oregon

- Advocated for undergraduate students who believed they had been victims of sexual misconduct and those who had been accused.
- Provided emotional support, options/resources, assistance with decision-making, referral for counseling as appropriate, and follow-up.
- Presented to students and facilitated discussions about issues related to sexual misconduct (i.e., alcohol abuse, acquaintance rape).

VOLUNTEER EXPERIENCE

08/94–12/94

ELDERCARE ASSISTANT (4 hours/week)

Eldercare Center, University of Missouri, Saint Louis, Missouri

- Volunteered at an adult day health care program for the elderly.
- Assisted center participants in a variety of therapeutic activities.
- Administered practice Mini-Mental State Examinations.

01/92–05/92

CHILD CARE ASSISTANT (4–6 hours/week)

Rainbow House, Columbia, Missouri

- Volunteered at a shelter for abused and neglected children.
- Discussed confidential issues with supervisors to better understand and care for the children at the shelter.
- Developed an understanding of the detrimental effects of child abuse and neglect, and participated in various play activities with children.

RESEARCH EXPERIENCE

08/94–12/94

RESEARCH ASSISTANT

Department of Psychology, University of Missouri, Saint Louis, Missouri

- Assisted with research conducted in the community geropsychology laboratory of Ann Steffen, Ph.D.
- Administered Mini-Mental State Examinations to Alzheimer's patients in a day care setting.

09/90–05/92

RESEARCH ASSISTANT

Department of Psychology, University of Missouri, Columbia, Missouri

Coordinated research for three different projects supervised by professors (Lizette Peterson-Homer, Ph.D., Nelson Cowan, Ph.D., & Mark Thelen, Ph.D.). Active in all phases of the data collection process, including:

- Calling subjects to arrange interviews.
- Conducting interviews, assessment tests, and surveys.
- Coding, organizing, analyzing, and interpreting data.
- Creating empirically derived categorical systems.

LANGUAGES

Spanish (speak, read, write)
